

# Purchase dental coverage for the whole family

Good oral health is about more than healthy teeth. Regular preventive dental care is crucial and can detect more serious conditions like heart disease and oral cancer.

AmeriHealth New Jersey offers affordable dental plan options that encourage prevention and treatment of conditions before they become more costly issues.

 You have the freedom to see any dentist

 Save the most on out-of-pocket costs by choosing a dentist in the Advantage Plus 2.0 network

 You'll never need a referral for services

## Find dental providers

# Add vision benefits to your health plans

Routine eye exams can help protect your sight and detect serious and costly medical conditions like high blood pressure and diabetes.

AmeriHealth New Jersey offers three vision plans. The plans cover one routine eye exam in full per calendar year and affordable coverage for eyeglasses and contacts.

The benefits of vision coverage are clear:

**Easy-to-use online tools**

Find Davis Vision providers, view frame options, and review coverage at [amerihealthexpress.com](https://amerihealthexpress.com)

**Replacement contact lenses**

Low prices and same-day shipping<sup>2</sup> for replacement contacts and solution from [davisvisioncontacts.com](https://davisvisioncontacts.com)

**Frame and lens coverage**

Full coverage or low copay from the Davis Vision Exclusive Collection, and one-year frame and lens warranty from Davis Vision providers

**Vision correction discounts**

Members save 40–50% off the national average price of traditional LASIK from credentialed physicians. Exclusive pricing and financing options are also available through Davis Vision.

## Lens options

These lens options are either covered in full or with a copayment:

- Clear plastic single-vision, lined bifocal, trifocal, or lenticular lenses (any prescription)
  - Polycarbonate lenses
  - Progressive lenses
  - Polarized lenses and anti-reflective lenses
- Intermediate-vision lenses
  - Scratch-resistant coating
  - Ultraviolet coating
  - Oversize lenses
  - Tinting of plastic lenses

## Vision plan options

Our vision benefits are administered by Davis Vision® and give members a choice of more than 84,000 points of access nationwide. Members save on out-of-pocket costs and have access to eye exams, eyeglasses, contacts, and value-added discounts.

## Protecting eyes against harmful blue light

Increased use of digital technology comes with additional risk of the harmful effects of blue light from device screens. Routine eye exams can help detect the effects of blue light exposure. Members can also protect their eyes by taking advantage of fixed pricing on cosmetic options and anti-reflective lens coatings that filter blue light.
